Effective: 2017 Jul 14

Keysight Technologies, Inc. CDP Reporting

Keysight Technologies, Inc. completes annual CDP reporting as part of our company-wide Environmental Management System and Corporate Social Responsibility & Governance program.

- 2017 CDP: filed publicly with review and score/rank expected Sept/Oct 2017
- 2016 CDP: filed privately given Keysight was a new company with one year of data

Keysight's Environmental Management System is essential and instrumental in driving continuous improvements and reduction of adverse environmental impacts. Keysight is externally certified to ISO14001:2004, in addition to our existing ISO9001:2015 quality certification.
