*Legal & General do not have International Securities Identification Numbers for their life funds; L&G specific fund codes have been provided instead.

**The Legal & General 30:70 Global Equity Fund is a bespoke 'blended' fund created for the Scheme which invests 30% in L&G UK Equity Index Fund (charges included) (fund code AS) and 70% in the L&G World (ex UK) Equity Index Fund (charges included) (fund code CC). L&G do not produce a factsheet for this bespoke fund; however, they do produce factsheets for the underlying funds.

***The Keysight Sustainable Global Equity Fund is a bespoke 'blended' fund created for the Scheme which invests 40% in L&G Future World Global Equity Index Fund (charges included) (fund code GPER), 40% in the L&G Future World Global Equity Index Fund (currency hedged) (fund code GPFC) and 20% in the L&G Future World Fund (charges included) (fund code APBH). L&G do not produce a factsheet for this bespoke fund; however, they do produce factsheets for the underlying funds.

Fund Fact Sheets

For more information on each fund, you can download the fund factsheet from the individual manager websites:

For the most up to date L&G information, see <https://fundcentres.lgim.com/uk/en/fund-centre/PMC/>. The easiest way to find the funds is to search the single or two letter fund code shown above.

For the Schroder Life Diversified Growth fund, go to <https://www.schroders.com/en-gb/uk/institutional/fund-centre/#/fund/search/filter>, then search for: Schroder Life Diversified Growth Series 6

Further Information

For more information on the Scheme and the fund range on offer please see the investment guide available on www.makeakeydecision.co.uk.
