Keysight Technologies Statement on Responsible Cobalt Sourcing

As part of Keysight's Corporate Social Responsibility Program, Keysight has established policies, statements and guidance documentation that outlines Keysight's expectations to our suppliers regarding responsible sourcing including expectations for human rights and labor, which is of main concerns identified by the new voluntary Cobalt Initiative lead by Responsible Material Initiative. Keysight Technologies, Inc is a participant in the Responsible Materials Initiative, but currently is not participating in the voluntary efforts to assess cobalt sourcing.

We encourage you to visit our company website to learn more regarding Keysight's actions, initiatives and requirements that have been implemented to meet our responsible sourcing objectives. Our Responsible Sourcing website is available at: <https://www.keysight.com/us/en/about/corporate-social-responsibility/responsible-sourcing.html>.

If you have questions or additional information requests, please [Contact Keysight](#) with your question.

Thank you for your inquiry.
