

Effective: 17 December, 2018

Keysight Technologies

Foreign Object Damage (FOD) Prevention Policy

Keysight Technologies, Inc. is committed to prevent, detect, and remove Foreign Objects from our products.

To achieve this we will:

1. Promote awareness and provide employee training on FOD prevention.
2. Maintain appropriate processes to detect and remove Foreign Objects throughout Design and Manufacturing and Logistics processes and service operations.
3. Investigate FOD incidents and ensure resolution to prevent recurrence.

This policy applies to all of Keysight's design, manufacturing, service and repair areas.

Joe DePond
Director of Keysight Quality and Customer Experience
